

**CHERRYVILLE
COMMUNITY
FOOD &
RESOURCE
SOCIETY**

2024

**PREPARED BY:
MEGHAN DERKACH**

Our vision:

To support and grow with the Cherryville community to establish resources and services that promote healthy living for all residents.

Mission Statement:

To implement and manage resources and services to support rural living including but not limited to food bank services, aging-in-place, child and youth programs, work opportunities, mental health supports and other identified needs within the Cherryville community.

Our Values:

Cherryville Community Food and Resource Society values community building and connectedness. We strive to create opportunities for Cherryville residents through employment and volunteer opportunities, provide diverse services and resources, give back to community and support local initiatives, raise awareness of rural-based barriers, and forge long-lasting partnerships.

We value Cherryville input and regularly send quality impact surveys regarding existing programs and services as well as questionnaires inviting feedback for what is most needed in the area. In order to provide meaningful services to our area, we rely heavily on community voices and welcome all to share with us.
